Number 12, June 1997

EUROPEAN SOCIETY of VETERINARY DERMATOLOGY

CONTENTS

- 2 President's remarks
- 2 Acknowledgements
- 2 Forthcoming meetings and workshops
- 3 Agenda for 1997 AGM
- 4 Minutes of 1996 AGM
- 5 Treasurer's report 1996
- 7 References from 1996
- 18 Membership list 1996/7
- 28 Application for membership

ANNUAL REPORT
of
EUROPEAN SOCIETY of VETERINARY DERMATOLOGY

No. 12, June 1997

EDITOR: Ian S Mason,
vice-president, ESVD.

President's remarks

Dear Colleagues

One of the principal aims of ESVD is to provide education in the various aspects of clinical veterinary dermatology and the services provided by ESVD as described in this Annual Report provide a forum for this. Other aims, as defined in the Constitution, are to co-ordinate research and further scientific progress in veterinary dermatology.

The ESVD is dependent on members, particularly Full Members, and on the services of the elected Board. Full Members are, through their right to vote at the Annual AGM of the Society, able to direct the course of the association. The task of the Board is to work to fulfil these aims. It is essential to the health of the relationship between the Board and the Full Members that there is a forum for discussion. Hence, the Board have decided to place their various reports within this Annual Report in order to maximise the opportunity for creative discussion at the Annual General Meeting.

The agenda of the Annual General Meeting is published herein. If any Full Member wishes to propose a change to the constitution, or to suggest a change in emphasis in the current aims, objectives or practices of the ESVD then they have the opportunity to present these ideas at the AGM. A full and fair debate is promised!

I look forward to seeing you all in Pisa.

Richard Harvey

Acknowledgements:

This is my first year as editor of the Annual Report of the ESVD. The collation of the information herein is a mammoth task and one that I certainly underestimated when I was a "grass-roots" member of the Society. I am extremely grateful to the previous editor of the report, Richard Harvey, the current president of the ESVD. Richard has advised and encouraged me and contributed greatly to this document. The majority of the list of 1996 references were collected by Dr Thierry Olivry of the University of North Carolina USA. Without his generous contribution of these references, I would have had to spend many, many hours laboriously producing an inferior list. The following ESVD members are also responsible for helping in the preparation of the Report: Pascal Prelaud, Maite Verde, Luc Beco and of course my fellow ESVD Board members, Helene Raue, Dominique Heripret, Margreet Vroom and Zeineb Alhaidari.

Ian Mason

Forthcoming Meetings and Workshops

September 5th-7th 1997. ESVD Annual Congress in Pisa, Italy.

September 1998. ESVD Annual Congress, Maarstricht, The Netherlands

Workshops

Canine Dermatology, Copenhagen, June 1998

Oncology, Barcelona, September 1998

Equine Dermatology, London, 1999

Therapeutics, Italy, October 1999

Numerous other meetings are being planned. Further details will be sent to members in due course.

**AGENDA
for the
14th ANNUAL GENERAL MEETING
of the
EUROPEAN SOCIETY of VETERINARY DERMATOLOGY**

to be held in Pisa on Friday 5th September 1997 at 17.30 in the Congress Centre

- 1 President's address
- 2 Treasurer's report
- 3 Membership secretary's report
- 4 Publication committee's report
- 5 Further education committee's report
- 6 Research committee's report and the nomination
of the ESVD Research Grant
- 7 Future meetings and workshops
- 8 Changing of the ESVD constitution
(see footnote)
- 9 Any other business
- 10 Date and time of the next meeting
- 11 Closing remarks by the ESVD president

Footnote: It has been suggested by the three most recent past-presidents of the association that the Constitution of the Society be changed. They propose that after election, the Board should serve for three years rather than for the current term of two years. This change is intended to apply to the next and subsequent Boards and is intended to ensure continuity.

MINUTES OF THE 13TH AGM of the ESVD

held in the Congress Centre in Edinburgh on Friday 13th September 1996

1 President's address

Claudia von Tscherner opened the AGM and welcomed the members. She thanked the board for all their work during the last year. We have got many new members this last year. The president was pleased with this. Two members, David Grant and Pauline McNeil, will leave the board now and the president thanked them with wine and tulips for their good work and efforts during the years.

2. Treasurer's report

Dominique Heripret gave his report of the ESVD accounts during the period 01.01.95 to 31.12.95. The report had already been presented to everyone in the Annual Report for 1995, but the treasurer explained the figures. We got some profit from the ESVD Congress in Barcelona and the Equine Workshop gave a good profit. Bank charges are rising. Our economical situation is healthy, income is about the same as expenses this year. The treasurer discussed the possibility of paying with credit and debit cards. It is impossible in Luxembourg, but we shall look for it in other countries. Keith Thoday told us we can pay with traveller's cheques, the treasurer will investigate the costs for that.

3 Membership Secretary's report

Margreet Vroom reported that we now have 497 members. We have got 100 new members and deleted some members. Thirty one members have applied for full membership in a proper way. She asked the audience if we all agreed with the recommendation of these 31 members who want to become full members. We all recommended them.

The new full members are:

Louis Ansay, Hanna Ariman, Anjla Ballinari-Schroff, Jürgen Beck, Rosario Cerundolo, Sylvia Colombo, Loisa Comeglioni, Terril Eckert, Hilary Jackson, Liz Junio, Radek Kaspar, Dagmar Kiessling, Outi Kuisma-Parvur, Christine Loewenstein, Gabrielle Luckinger, Rosanna Marsella, Catherine Nagell, Wolfgang Osthold, Reg Pascoe, Stephanie Peters, Zorana Ristic, Petra Roosje, Lena Saijonmaa-Kouhumi, Eduardo Salo Mur, Verena Scheerer, Silvi Schiavi, Karin Steckmann, Robert Stiel, Davide Trefiletti, Ganes Kallahalli Umesh, Patricia Werhahn.

4 Publication Committee's report

Richard Harvey reported the work of this committee. He thanked all the editors of Veterinary Dermatology for their good work. He also thanked the treasurer and the membership secretary for their good team-work and co-operation with Blackwell Science Ltd, the publisher of the journal. Due to this we have no longer any problems with members not getting their journal. Richard Harvey also thanked Chris Chesney for his very good work with the Bulletin.

5 Further Education Committee's report

Pauline McNeil reported the results of the questionnaire that had been sent out to all full members. Only 62 members had replied. The results showed that some workshops are more popular than others. A workshop on Immunology is first on the list. Other popular workshops are Dermatopathology, Clinical Pathology

and Equine Dermatology. Members also want a workshop in Pharmacology and Therapeutics. The board will plan further workshops taking the members wishes in consideration.

6 Research Committee's report

Pauline McNeil informed us that we had got four applications for the Research Grant. The committee had had hard work to make a decision. All four applications were of high quality. Finally the committee decide to give the Grant to Cathy Curtis and Tim Nutall. They get 5.000 XEU each for their research, instead of sharing the Grant of 5.000 XEU. Some discussion from the members present followed. The results of the research will be presented at an ESVD Annual Meeting and in Veterinary Dermatology. There will be a new Research Grant for 1997. Deadline for applications is March, 31, 1997.

7 Future meetings and workshops

Helene Raue informed about this. In 1997 the ESVD Annual Congress is held in Pisa, September, 5-7. Nothing is finally decided about 1998. (After the AGM the board has decided that 1998 Annual Congress will be in Maastricht, September, 3-5.) Future workshops: July 1997, Clinical Pathology in Nantes. In the summer of 1998 we will have Canine Dermatology in Copenhagen.

8 Election for the new president of ESVD

Claudia von Tscherner gave the results of the voting for president. Out of 115 full members 87 had sent voting forms, three were invalid forms. Richard Harvey was recommended on 70 of these 84 correct voting forms. Claudia von Tscherner gave her congratulations to Richard Harvey for him becoming the new ESVD president.

9 Election for the new ESVD board

Claudia von Tscherner informed about the voting results. Eight delegates stood for the board. After counting the votes, the results were 73 votes for Dominique Heripret, 70 votes for Margreet Vroom, 51 votes for Ian Mason and 47 votes each for Helene Raue and Zaineb Alhaidari. These five members were elected to the new board.

10 Any other business

There were some questions from the members present about what happened to their applications for full membership. Margreet Vroom and the board tried to explain to the members how to do a correct application procedure. We must follow the constitution. These members who were not recommended for full membership this year are welcome back next year with correct applications.

11 Date and time of the next meeting

The next ESVD AGM will be in Pisa at the Annual ESVD Congress September, 5, 1997.

12 Closing remarks by the ESVD president

Richard Harvey as the new president thanked the members of the AGM for attending. He also thanked Claudia von Tscherner for her very good work for ESVD with some lovely flowers.

TREASURER'S REPORT

ESVD accounts for the period 01-01-96 to 12-31-96

Summary

Balance at 01-01-96	49000,06
Income	+65098,26
Expenditure	-47895,18
Balance at 12-31-96	66203,14

Income (in XEU)

	1993	1994	1995	1996

Total	751,98	26,34	2486,06	5055,56

Income

Membership fees

In 1996, we had 6 free members (4 honorary and 2 retired), 482 paying members (417 in 1995): 454 are paying in XEU and 28 in USD to Thierry Olivry. We deleted 18 non paying members.

Announcement of payment is made in January and a reminder is sent on May.

ESVD fee will remain unchanged in 1997 (XEU 90 by Bank transfer, XEU 100 by Eurocheque, Bank draft, Eurotraveller's cheque).

Investment Account

Interest fell a little bit because of a lower rate (from 3,5% by the end of 95 to 2,7% in December 96). This

money was initially covering bank charges but now it is not enough.

Annual Congress

The real general profit from Barcelona 95 congress was XEU 7738,86. ESVD receives 45% of this profit (XEU 3482,48). XEU 8332,77 represents the money sent to ESVD by the organisers (in 1994 we gave them XEU 593,91 as an advance; this sum is included in the total shown in the accounts).

Courses

Cutaneous histopathology workshop was profitable (XEU 1286,84).

The Equine workshop was very profitable (XEU 9735,16), perhaps it was too successful, but the provisional budget was difficult to arrange for Janet Littlewood (there were 2 foreign speakers, a low rate of sponsorship and we did not know how many colleagues would be interested in equine dermatology). In retrospect, the fee may have been too high but it was not possible to imagine that at the beginning. The next Equine workshop will be less expensive of course.
In 1996, Reichenau was a little negative (about XEU 500).

Sponsoring

Bayer and Iams gave XEU 1000 each for sponsoring the resident's pre-congress day. This did not cover the expenses of this day (about XEU 2500) but we think that this resident's forum is important for young colleagues and ESVD is happy to help them. This year we created a special bank account for ESVD residents ("treasurers": Cathy Curtis and D Héripret).

Bank error

This item has not been shown in this years accounts as it has no true impact on the income and expenditure of the society.

Miscellaneous

Reimbursement of D Héripret flight to Edinburgh by organising committee (speaker).

Expenses

Meeting and Travel Expenses:

In 1996, we had three board meetings: 1 in Amsterdam, 1 in Paris and 1 in Edinburgh. A normal board meeting costs about XEU 2500-3000. The Board meeting in Edinburgh was very expensive because the World Congress Committee is a separate organisation from ESVD (therefore ESVD board members have no free registration) and ESVD had to pay for 4 Board members who were not speakers. This only happens once in 4 years.

Veterinary Dermatology:

In 1995, the cost of Veterinary Dermatology was high because we paid for 2 volumes (Vol 5 and Vol 6). The accounts for 1996 show the actual cost of 1 volume.

Bank Charges

This budgetary item is rising with the number of payments. Addition, the fees that we are charged for the bank's work is more and more expensive. For a cheque received, we pay XEU 11 automatically. Some banks (ABN-Amro, Barclays, and others) then charge our bank between XEU 10 and XEU 20 more, and we have to pay for that of course.

ESVD publications

In 1996, there were 3 ESVD bulletins for a total of XEU 5165,30 (about XEU 1700 each). There were only 2 in 1995 (XEU 1400 each).

Annual report costs XEU 2313,71 this year (XEU 1800 in 1995).

The difference is mainly due to the increasing number of members and inflation.

Miscellaneous

FECVA membership fee.

ECVD

This year ECVD received some money from Barcelona congress (just like ESVD).

This money (XEU 742) represents a meeting we had for lunch in Edinburgh.

Congress organisation

That is the payment for Resident's pre-congress day (part of Edinburgh one and part of Barcelona one)

US Bank account

We had no expenses there in 1996, except bank charges.

Many thanks to Thierry Olivry who is doing a great job there.

General comments

The situation is quite healthy because annual fees, profits from investment account and sponsoring are covering the expenses of a normal year. This good situation makes it possible to not increase the 1997 ESVD fee.

Profits from courses and congresses allow us to create an ESVD Grant for research work in the field of veterinary dermatology and to organise workshops at reasonable prices.

EUROPEAN SOCIETY OF VETERINARY DERMATOLOGY

Application for membership

I apply for membership of the E.S.V.D. as:

Full member

Associate member

Affiliate member

Full membership shall be limited to those veterinarians who devote a significant proportion of their professional activities to research, teaching or the practice of veterinary dermatology. Letters of recommendation from two founder or full members of the E.S.V.D. are required. Applications will be considered by the Executive Committee of the E.S.V.D. The Executive Committee will not initiate such letters of recommendation. Full members are elected at the E.S.V.D. Annual General Meeting.

Associate membership shall be open to all veterinarians who are interested in veterinary dermatology but do not qualify for full membership. Associated membership shall be approved by the Executive Committee of the E.S.V.D. Associate members shall not have the right to vote or hold office in the Society. Recommendation letters are not required for associate membership.

Affiliate membership shall be open to all non-veterinarians who are interested in veterinary dermatology. Affiliate membership shall be approved by the Executive Committee of the E.S.V.D. Affiliate members shall not have the right to vote or to hold office in the Society. Recommendation letters are not required for affiliate membership.

All applications must be received by the Executive Committee of the E.S.V.D. at least 60 days prior to the annual general meeting of the E.S.V.D. and must be accompanied by a payment of XEU 90 (Bank Transfer) or XEU 100 (Eurocheque). The subscription includes annual subscription to Veterinary Dermatology

Note. Membership is from January 1st to December 31st. Irrespective of when you become a member you will be deemed to have joined for that year and you will receive all copies of Veterinary Dermatology published that year. Therefore, this means that if you join in October, for example, you will get the three copies of Veterinary Dermatology so far published, and the fourth when it is published. You will then be asked for the next year's subscription in the following January.

Method of Payment:

a) Bank transfer XEU 90.

Bank transfer to E.S.V.D., BNP Luxembourg, 24 boulevard Royal, 2952 Luxembourg. Account No. 111 858

b) Eurocheque XEU 100 (cheque No. _____). Pay by Eurocheque to:
Dominique Heripret, Treasurer E.S.V.D., Clinique Fregis, 15 rue André Del Sarte, 75018 Paris, France

c) US dollars. non European members only may pay \$120 by cheque to Thierry OLIVRY, U C Davis, Dept. of Medicine, School of Veterinary Medicine, VMTH, Davis, CA 95616, USA.

1. NAME. _____ First Name and initial: _____

2. ADDRESS

(business): _____

Town: _____ Country: _____ Zip Code: _____

3 a Telephone: business (Country code, area code, number): _____

residence (Country code, area code, number): _____

b. FAX business (Country code, area code, number): _____

residence (Country code, area code, number): _____

4. Education (Professional and advanced degrees):
attach separate sheet if necessary

5 Present activities involving veterinary dermatology (research, teaching, practice etc.):
attach separate sheet if necessary

6. Percentage of professional activity devoted to veterinary dermatology:

If applying for Full Membership. Please use a separate sheet to detail main lectures given during past two years, with dates and places, principle publications, institutional affiliations and the names of two sponsors.

Date: _____ Signature: _____

Please return the completed form to:

Dr. Margreet Vroom DVM, Membership Secretary, E.S.V.D., Boxtelsebaan 6, NL-5061 VD Oisterwijk Netherlands.
