

PROGRAMME

Workshop Comparative Allergology Allergies in small animals and humans

24 – 25 October 2024

Speakers

Prof. Tilo Biedermann, Dr. Ana Rostaher, Prof. Kirsten Beyer, Dr. Kirsti Schildt, Prof. Ralf Mueller, Prof. Dr. Peter Schmid-Grendelmeier

Programme Director

Prof. Ralf Mueller

Local Organiser

Dr. Lucia Panakova and Dr. Tomáš Hanzálek

PROGRAM DAY 1, 24 OCTOBER 2024

08:30-09:00 Welcome & Registration

09:00-09:45 "Pathogenesis of human atopic dermatitis" (Prof. Tilo Biedermann, Munich)

09:45-10:30 "Pathogenesis of canine atopic dermatitis" (Dr. Ana Rostaher, Zurich)

10:30-11:00 Coffee Break

11:00-11:45 "Pathogenesis of human food allergy (Prof. Kirsten Beyer, Berlin)

11:45-12:30 "Pathogenesis of canine food allergy" (Dr. Kirsti Schildt)

12:30-13:30 Lunch Break

13:30-14:30 **Podium discussion:** "Pathogenesis of allergy in human and animals – what can we learn from each other?" (Prof. Dr. Kirsten Beyer, Prof. Dr. Tilo Biedermann, Prof. Dr. Ralf Mueller, Dr. Ana Rostaher, Dr. Kirsti Schildt)

14:30-15:15 "Developments in allergen-specific immunotherapy using the example of tree pollen allergy" (Prof. Dr. Tilo Biedermann, Munich)

15:15-16:00 "Allergen immunotherapy in animals – still first choice?" (Prof. Dr. Ralf Mueller)

16:00-16:30 Coffee Break

16:30-17:30 **Podium discussion:** "Allergen immunotherapy in humans and animals – differences and common ground" (Prof. Dr. Kirsten Beyer, Prof. Dr. Tilo Biedermann, Prof. Dr. Ralf Mueller, Dr. Ana Rostaher, Dr. Kirsti Schildt)

PROGRAM DAY 2 - 25 OCTOBER 2024

- 09:00-09:45 “Monoclonal antibodies as treatment of human allergies” (Prof. Dr. Peter Schmid-Grendelmeier, Zurich)
- 09:45-10:30 “Janus kinase inhibitors in human allergology” (Prof. Dr. Peter Schmid-Grendelmeier, Zurich)
- 10:30-11:00 Coffee Break**
- 11:00-11:45 “Monoclonal antibodies and Janus kinase inhibitors in veterinary allergology” (Dr. Kirsti Schildt, Helsinki)
- 11:45-12:30 Podium discussion: “Questions and opportunities with monoclonal antibodies and Janus kinase inhibitors in human and veterinary medicine” (Prof. Dr. Schmid-Grendelmeier, Prof. Dr. Ralf Mueller, Dr. Ana Rostaher, Dr. Kirsti Schildt)
- 12:30-13:30 Lunch Break**
- 13:30-13:45 Sponsor Lecture**
- 13:45-14:45 “Mesenchymal stem cells and co – new options for treatment of human allergies” (Prof. Dr. Peter Schmid-Grendelmeier, Zurich)
- 14:45-15:30 “Mesenchymal stem cells and co – new options for treatment of canine and feline allergies” (Dr. Ana Rostaher, Zurich)
- 15:30-16:00 Coffee Break**
- 16:00-16:45 **Podium discussion:** “Alternative treatments for human and veterinary allergies” (Prof. Dr. Schmid-Grendelmeier, Prof. Dr. Ralf Mueller, Dr. Ana Rostaher, Dr. Kirsti Schildt)
